RE: Citizenship Determination Request – Basalt Infrastructure Partners L.L.C. - Holdco

Dear Mr. Belisle:

This is in response to your letter of December 19, 2024, in which you requested written confirmation from the U.S. Coast Guard that the proposed ownership structure of Holdco, a prospective Basalt Infrastructure Partners LLC (“Basalt”) Delaware limited liability company, would not affect the coastwise citizenship eligibility of Holdco under the Jones Act pursuant to 46 U.S.C. § 50501.

Based upon the representations contained in your letter, we confirm that Holdco’s structure, as proposed, will not affect Holdco’s prospective status as a coastwise U.S. citizen under 46 U.S.C. § 50501. If any of the representations and documents you submitted materially change, this confirmation shall be null and void.

Sincerely,

A handwritten signature in cursive script that reads "Christina G. Washburn".
