

# Coast Guard District 11

- CFVS District Coordinator Report:
- CFV losses FY19: 7
- CFV fatalities FY19: 2
- CFV injuries FY19: 2
- CFV population within District (State/Documented): 2,812. (1,488/1,324)
- Dockside Exams completed (within District FY19): 723.
- **OUTREACH CAMPAIGNS:** Two major **OP SAFE** events annually in Northern California. In March, OP SAFE SALMON. In November, OP SAFE CRAB. Both operations significantly increase the number of exams conducted and decals issued. Both usually generate at least one television and radio clip. MSIB's and other safety information at all local harbors along with names/contact info for local dockside examiners. Interface with local harbormasters regarding CFVS. G Street Pier in San Diego recently made dockside exams mandatory for moorage. Annual D11 CFVS newsletter mailed to the fleet.
- **PRIORITIES:** Increase number of at-sea CFVS boardings. Target non-compliant mandatory exam CFV's.
