Category: Training & Procedures
Location: Port of Durban, South Africa
Date Observed: 22 February 2006
POC: Mr. Basil Ngqo Ndlovu, Port Security Manager, 031 361 8221.
WWW: www.basilndi@npa.co.za

Description: The National Ports Authority is conducting an internal audit of the approved port security plan.

Discussion: In preparation for the mandatory audit of the security plan by the National Intelligence Agency, the NPA is conducting an internal audit to identify any weaknesses in the approved plan.

Potential Down-side: None.

Conclusion: The internal audit will reinforce the importance of the port security plan and compliance with it.

Cost: Costs are limited to the salary of the internal auditors.
